

VIRTUAL OPEN HOUSE

OCTOBER 13, 2021
6:30PM – 8PM
ZOOM PRESENTATION AND Q&A

WHAT IS THE WHEATLAND WIND PROJECT?

The Wheatland Wind Project is an electrical generation project owned by the Wheatland Wind Project Limited Partnership (WWLP) located approximately 30 kilometres southeast of the town of Drumheller. The Wheatland Wind Project will include twenty-four (24) wind turbines and associated infrastructure, and will have a generation capacity of 122.4 Megawatts.

Site mobilization and civil construction for the Wheatland Wind Project will start at the beginning of October 2021. Additional details on the construction activities and schedule will be presented at the open house.

PLEASE JOIN US FOR A VIRTUAL OPEN HOUSE ON OCTOBER 13TH, 2021 AT 6:30 PM WHERE YOU WILL:

- Meet the WWLP team, including the Project Manager, the main community contact, members of the construction team, and the construction contractor
- Receive updates on upcoming construction activities
- Learn about the construction schedule and timeline
- Learn about the Community Liaison Committee and how to get involved
- Get information and answers for questions you may have on the Wheatland Wind Project

If you have any comments and/or questions regarding the Wheatland Wind Project and the start of construction, please submit them to info@wheatlandwind.com before October 8, 2021 to have them answered at the meeting. Some time will be allocated to Q&A at the end of the virtual open house but we encourage you to submit your comments and/or questions ahead of time.

To register in advance for the virtual open house, please visit wheatlandwind.com. A link to attend the virtual open house will also be available on the website at the time of the event.

WE LOOK FORWARD TO SEEING YOU AT THE MEETING!
